

Michigan: THE MOST DIVERSE MANUFACTURING CENTER IN THE WORLD

The Michigan Manufacturers Association (MMA) represents the most diverse manufacturing center in perhaps the entire world. And, just as we have since the industrial revolution, we will continue to be the cradle of innovation and invention for generations to come.

Manufacturers
in Michigan
employ nearly

14%
of the
workforce.

There are
more than
11,000
manufacturing
companies
in Michigan.

Michigan
manufacturing
employs

587,000
people.

Employees earn
an average annual
compensation of

\$85,744

Join Your Peers to Advance Michigan's Manufacturing Industry

In the 21st century, our champions of manufacturing and our next generation of innovators are collaborating to drive Michigan into a future that will continue to shape our collective fortunes, our state's economy, the communities we serve, our individual businesses and our families' livelihoods.

The Michigan Manufacturers Association (MMA) serves an industry that is in constant evolution and growth. We are the only organization in our state with the sole purpose of advocating for manufacturers by supporting, training and growing the industry.

There's...

strength
safety
power
community
influence
collaboration
savings
advocacy
value

in numbers

- \$3.5 billion**
In economic development incentives since 2021 attracting \$17 billion and 16,000 new jobs
- \$150 million**
Secured for the employer-financed Unemployment Insurance Trust Fund

MEMBER-DRIVEN ADVOCACY

To Be Your Voice, We Must Hear Your Voice

MMA works hard for our members and the 628,700 Michiganders they employ – as well as manufacturers across our entire state – on issues that impact lives, drive change and create the best economic climate for manufacturers in which to thrive.

...There's got to be unified messages and that's what I find with MMA to be exciting. You bring it all together and get the right parties at the table, making progress for the state of Michigan.

– **Matt Carr**
Storch Products President

We've been able to take advantage of significant savings on insurance programs, workers' compensation, energy tax recovery and even parts cleaning! The value of these member discounts alone pays for our annual dues.

– **Tammy Bernier**
Duperon Corporation Owner and CEO

WORKFORCE SOLUTIONS

Navigating the Gaps Between Workforce Supply and Demand

Facing a limited talent pipeline and stubbornly persistent misconceptions about manufacturing career opportunities, Michigan manufacturers need ambitious, creative and prepared employees ready to engage in a bright future in advanced manufacturing. MMA is working with partners at all levels to help our members develop the strongest and most competitive manufacturing workforce in the world through:

- Discounted training services and opportunities for members
- Development of local talent pipelines through PRIME®
- Continued funding of the Going PRO Talent Fund
- And more
